

Playtime Information Sheet

Requirements:

Supervised playtime is a fun and healthy activity for your pet. We require owners to certify that your pets have not harmed or shown aggressive behavior toward any person. The staff at Little River Animal Hospital knows how to maintain a fun, safe, and controlled environment. Our boarders' health and safety is our main concern. If your dog has a history of digging out, jumping, or climbing fences, please let us know. If your dog is an escape artist, he/she will be unable to participate in playtime. Little River Animal Hospital will not be held responsible for any animal escaping from our fenced yard play.
